Sliding Door			●		●
Swing Door	●	●		●	●

Finger groove is a simple yet effective pull style without the extra protruding handles.

Encase 2™

Metal based storages

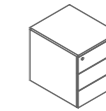

Encase 2™ extends the Encase™ collection to metal storages featuring a refined clean design. It is built in metal for durability and to reduce the environmental impact by not using any wood material. Handles are being removed and a new way of opening drawers are integrated into the design itself.

Encase is a perfect storage companion that is both aesthetically pleasing and functional.
