Loft

Waiting in style.

Loft. Redefined modern.

The new sofa is what we like to call redefined modern. Inspired by the classic design movements of the past, we infuse its simple design with the modern technology of today. The end result is an elegant, classic looking, minimalistic sofa which ascends age, and the trends of today.

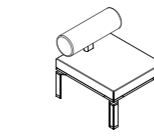

The Loft range is designed for the receptions and waiting areas of the modern office in mind. Its simple elegant lines will easily blend in with the rest of the office decor.

Sofa backrest

Poly-urethane foam upholstered with semi aniline leather.

Table

Die-cast aluminum legs offered in a white or silver metallic finish. Product is available as a glass top or a laminated wood table.

Notebook Stand

Die-cast aluminum base, mechanism and aluminum extrusions available in a white or silver metallic finish. Table top comes in either phenolic or glass. Stand height is adjustable, and for storage, the table top can be folded down, and easily transported and nested thanks to its rear wheels.

Any additional surface finishes or options such as upholstery material will be provided upon request.

All pieces subject to technical change without notice.

Loft. Simple.

The Loft range can meet the highly diverse requirements that are required for the modern office spaces of today. Each distinctive piece from the range will help your office convey a unique look and image, as well as fulfill all the requirements you would come to expect from such a collection of furniture.

The Loft is versatile as a range of furniture not just because of its good looks, but also because we have spent a lot of time perfecting every little detail. Take the new Notebook Stand for instance. It not only has an inimitable design which is sure to stand out anywhere it is used, but it is also versatile, practical, and easy to store away. Designed to be easily folded down, and nested together for quick simple storage, it is offered in a variety of finishing's, just like the sofa and coffee table. The Notebook Stand is sure to be a useful accessory in any office or room with or without the rest of its family.
